Organising our support for 2018

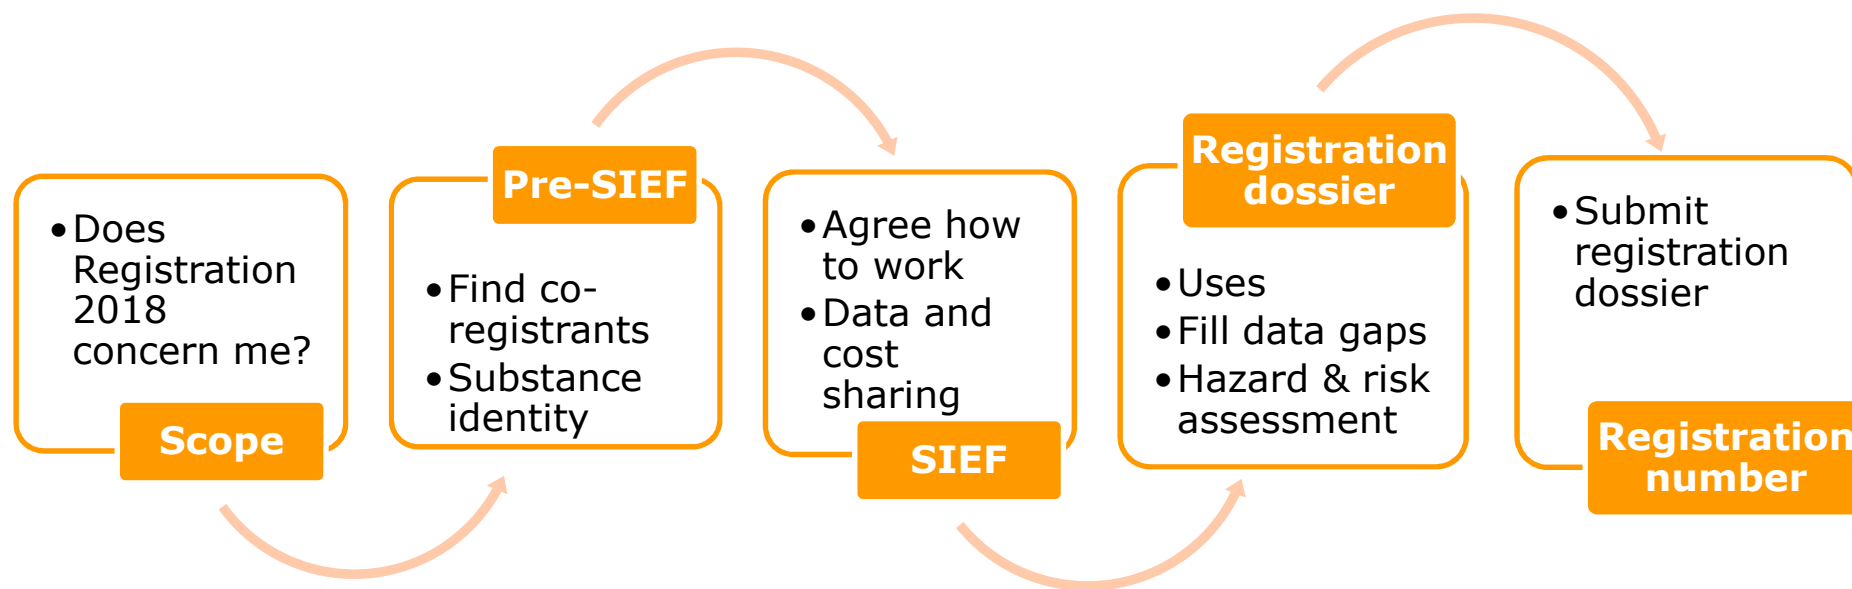

- Understanding needs of 2018 registrants

- Targeted support for 2018 registration deadline

Focus on needs of 2018 registrants

Aim: support for each step towards registration

2018 Registration Roadmap

- Specific output of the 2014 ECHA Work Programme
 - 2014 will be the year of reflection and review of ECHA processes, IT tools, support material and communication
- Objectives
 - By 2016, adapt and streamline procedures, IT tools and support to registrants
- Special focus on SME needs
- But will benefit all companies who register in 2018

2018 Registration Roadmap: timeline

- Actions agreed by the end of 2014
 - Consultation with stakeholders June - September
- Actions will cover each key step towards registration, examples:
 - Dedicated webpage for 2018 registration
 - Sector-specific advice on substance identity
 - Enhanced data and cost sharing information
 - Revised IUCLID and REACH-IT
- Activities implemented in 2015-2018
 - Revised IT tools are scheduled to be ready by early 2016
