### EDUCATION

Graduated in Chemical Engineering, Applied chemistry by *Instituto Superior Técnico* of the Technical University of Lisbon

### RELEVANT OCCUPATIONS

#### Present:

Head of Unit of the Environmental Risks and Emergencies Unit of the Portuguese Environment Agency (APA, I.P.), since May 2012, being responsible, among other tasks, for the coordination of work under the assessment and management of chemicals and GMOs, namely under the role of:

- Competent authority for REACH and CLP Regulations,
- Designated national authority for PIC Regulation,
- Designated national authority for the Rotterdam Convention,
- Member of the Sub-Committee GHS experts (UNECE),
- Competent authority for Directive 2001/18/EC (release into the environment of GMOs) and Directive 98/81/EC (contained use of GMMs),
- Competent national authority for the Cartagena Protocol on Biosafety;

and for the coordination, planning and management of projects within the framework of Chemical's and GMO's Policy.

Alternate Member of the Member State Committee of ECHA since 2010.

#### Relevant previous positions:

Technical officer in the Environmental Risks and Emergencies Unit of APA, I.P., since 2010, developing activities under REACH and CLP, GHS and Major Accident Hazards Involving Dangerous Substances (Seveso II Directive), including the PT representation in CARACAL, MSC, Seveso II CCA, SEVESO/GHS Working Group and UNECE Sub-Committee of Experts on GHS.

Adviser of the Environmental Risks and Emergencies Unit of APA, I.P., since 2000, on Chemical risk assessment and management activities (Classification and Labelling of Chemical Substances, Notification of New Substances - Directive 67/548/EEC and PIC) and on the Seveso II Directive.
