Downstream user notifications of REACH authorised uses

This worksheet lists notifications under Art 66 of REACH made to ECHA **by 28 November 2016**.

Where a company has updated its notification in the meantime, the information displayed is as of 15 July 2018.

Publication of information from notifications made later than November 2016 is planned towards the end of 2018, after clarification of the confidentiality status. For more information, visit <https://echa.europa.eu/du-66-notifications>

Fields marked with an asterisk are optional for companies to provide. NA = Not Available / Not Applicable
