Acceptance of notification regarding administrative change - Laqvin Seal AA1950 (additional manufacture)

If an authorisation holder intends to make an administrative change with regard to any of the information submitted in relation to the initial application for the authorisation of a biocidal product/a biocidal product family, a notification should be submitted to The Norwegian Environment Agency (cf. Article 50 (2) of Regulation (EU) No 528/2012; implemented in Norwegian law through the Norwegian Biocide Regulation, Regulation of 11th April 2014 No. 548). Changes of products are further treated in Regulation (EU) No 354/2013.

We hereby confirm that we accept the notification regarding administrative changes for Laqvin Seal AA1950 - NO-2014-0049, Case number BC-UX008212-17. The change concerns additional manufacturer for propiconazole (Janssen PMP), with reference to ECHA decision on technical equivalence (Case number BC-KM002264-46 and asset number EU-0003416-0000). Acceptance of this change assumes that the requirements of Article 95(2) of Regulation (EU) No 528/2012 are met.

No other change to the product than the above mentioned is accepted with this letter.

Enclosed is the updated SPC.

Yours sincerely,
Norwegian Environment Agency
